Joke of the Day: What's the favorite day of the year for a frog?

Random Fact: A Leap Day, February 29, is added to the calendar during leap years. This extra day, also called Leap Year Day, makes the year 366 days long – not 365 days, like a common year.

Coming April 7 – 13th

2 professional actors from Dakota Players will be coming to Burke to put on the musical "On the Road to Bremen Town."

K-8th grade area kids are needed for the show with auditions in the Burke gym on Monday, April 8th at 3:30.

Rehearsals for the shows are every day after school. There are 2 performances for the public, a matinee on Friday afternoon and a Saturday night performance.

More info to follow. This is a fun opportunity for area kids and I encourage you to go try out.
